4.8.11 - Shabbat Parashat Metzora

B"H

Dear Families,

Pesach preparations ensue! We are busy cleaning... mustn't leave any Chametz!

We have been studying the 'Seder' or order of the family holiday ritual meal for Pesach. We talk about what is Chametz and what isn't. We've been learning lots about the charoset, eggs and matzot, all of which we eat on Pesach.

Thank you to Esther Ruchela's family for sending in chocolate covered matzah for Rosh Chodesh Nisan!

We have been working hard, just as Pharaoh made sure his Jewish slaves did many years ago. You will continue to see the results of the yeladim's productivity as they bring home the pillow, and haggadah and other items, which may become part of your Pesach celebrations!

Whether you are traveling or staying home, we wish you all the best with your family and friends! Chag Pesach Sameach!

This week we were lucky to have Lucille, Yael our art teacher who taught us about Georgia O'Keefe, Judy Diamond, and Ilana for dance. Wow!

Shabbat Shalom!
