B"H

Dear Parents, Shalom!

The Ducklings have been working very hard for Pesach. We have made some great projects that we hope to use for our seder tables. We made matzah covers and seder plates. They came out so nice and all of them are different. Our Haggadah is coming along also. We made the four cups of wine. We are reading about Pesach everyday. There are lots of books from our school and some from the library. Songs are also a big part of the holiday, and we are learning to sing them!

This week Yael, the art teacher, came to our class. She showed us how to get beautiful colors on our paper by dipping tissue paper in water. We then blot it on to paper and the color of the tissue paper shows up. On Wednesday, Judy Diamond was here. She had us walk across her rope like we were on a tight rope. She said we are so much more grown up than we were at the beginning of the year! Ilana came on Thursday and learned how to do Israeli dances. It was fun with the Bunnies and the Teddy Bears!

We had a great birthday party for Avi. He is three now! His family came to help us celebrate. It was lots of fun!

Thank you to Esther Ruchel and her mom for bringing us chocolate covered matzah for a Rosh Kodesh snack. It was yummy! Also, thank you to Henry and his mom for bringing in chocolate chip muffins for snack on Monday.

Well, we had a great and busy week!
Shabbat Shalom,
Hamorot Gaby, Julie and Kate
